

Welcome to Tahoe Camp Meeting. Thank you for joining us at Tahoe Valley RV Camp Ground for our 17th year as a lay-led camp meeting. We share the camp ground with folks not attending camp meeting which gives us the unique opportunity to be a witness to those around us. Get to know your neighbors and invite them to our meetings.

Tahoe Camp Meeting will follow the camp rules and regulations set by Tahoe Valley Campground (TVC). Please review the TVC brochure you received at check-in. All campground activities are at your own risk.

TVC is a pet-friendly RV Park. Your pets are welcome in the campground but are not allowed in program tents or food service area. They must also be on a leash and under your control at all times. Feel free to set your camp chairs outside the main tent so you can sit with your pets by your side. Don't forget to clean up after your pets. Waste bags are provided in the pet walking area.

Parents please supervise your children and know where they are at all times. This includes your teens.

The Tahoe Café and Deli Express returns with Sterling Evans at the helm. You will find a variety of freshly made and delicious vegetarian and vegan foods available. The hours of service and menus are posted at the Café. Also, look for the **Tahoe Express Deli** with vegetarian versions of "fast food". Check out their website at www.tahoexpressdeli.com.

The Adventist Bookmobile (ABC) will be on the campground this week. The hours of service are:

- Tuesday - Friday - 11AM - 2PM; 4PM-7PM
- Saturday Night- Open at the end of the evening meeting.

Ministry Lane is located in the large white tent near the main tent. You will find a variety of organizations eager to share their vision of ministry.

The Information Station, is open 10am-12pm and 1-4pm. Virginia Rose can assist you with information about the camp meeting programs and direct you to your seminar or division tent. Bottled water is available for purchase, and you can check for "Lost and Found" items.

Parent's tent. A small tent outside the back of the big tent is available for parents with infants and small children.

Tahoe Tellings is the daily Camp Meeting newsletter. It is available at the end of the evening meetings in the Big Tent Monday - Friday nights. Extra copies are also available the next day at the Information Station. This year the editor and writer is Phil Elliott.

"Adult Meet and Greet" the Camp Meeting version of "Adult Happy Hour" will be featured Tuesday, Wednesday Thursday evening right before the evening meeting in front of the big tent. Virginia Rose and Lois Gifford offer up homemade cookies and fruit for our adult campers. What a great time to visit with your friends. Drop off the kiddies at their tent, then stop by for some conversation and a cookie.

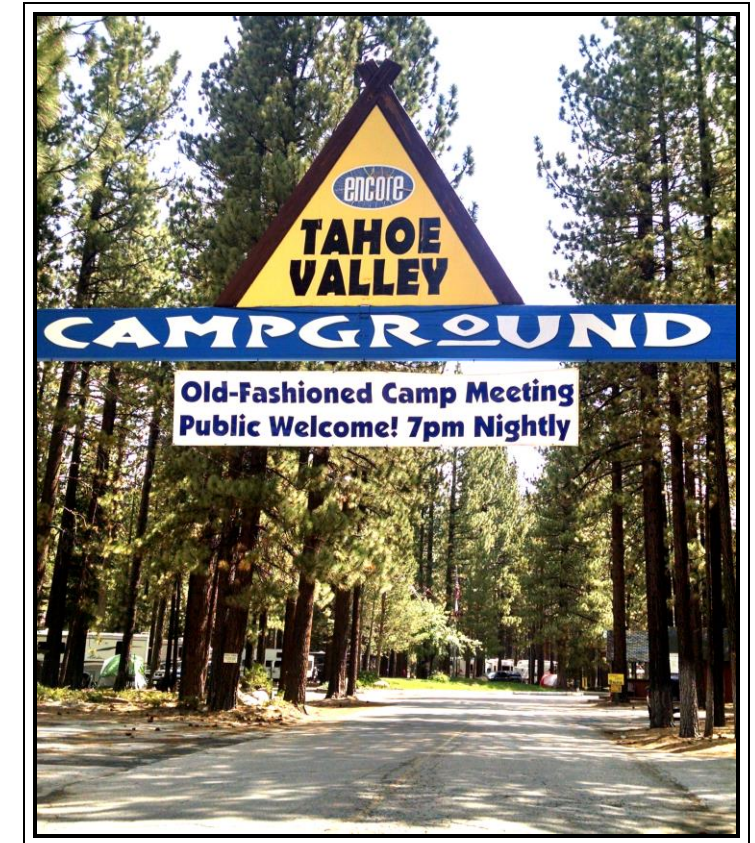

Tahoe Camp Meeting Website: Tahoe Camp Meeting has a new website. Check it out at www.TahoeCampMeeting.com. It seems that not only is Sterling Evans a good cook, he is also a web designer. Thank you Sterling for the new design.

Nevada-Utah Conference will present the adult Sabbath School program Sabbath morning. Elder Carlos Comacho, the Nevada-Utah Conference executive secretary will lead the lesson study.

Tahoe Camp Meeting Planning Committee.
